ABOUT US

Welcome to Christ Mandate International Outreach Ministries, a dynamic Christian Evangelical Outreach Ministry fuelled by a passionate commitment to follow wherever Jesus leads us.

Our calling is clear: To spread the transformative message of the gospel and to extend a compassionate hand to those in need. At the heart of our mission lies a deep desire to empower individuals and entire territories for the glory of Jesus Christ.

01 SPREADING THE GOSPEL

Central to our mission is the proclamation of the gospel – the good news that Jesus Christ, the Son of God, offers salvation, grace, and eternal life to all who believe. We understand that true empowerment begins with a personal encounter with the love of Christ. Through evangelistic initiatives, community outreach, and intentional relationships, we strive to create spaces where individuals can experience the transformative power of Holy spirit and God's Word.

02 HOLISTIC MINISTRY

Our commitment to empowerment goes beyond words; it extends to action. Recognizing that physical and material needs often accompany spiritual ones, we engage in holistic ministry. This involves reaching out to those facing hunger, providing medical assistance to the sick, and offering financial support to those in need. By addressing both the spiritual and practical aspects of people's lives, we seek to embody the love and compassion of Jesus Christ.

03 FEEDING PROGRAMS

Following the example of our lord Jesus who fed the people while sharing his message of Hope, **CMI Outreach Ministries** also participates in feeding programs to accompany our evangelistic visits. We believe that addressing hunger is not only a humanitarian duty but also a powerful expression of God's love. By providing nourishment to those who are hungry, we hope to convey the message that they are valued, seen, and cared for by a God who provides abundantly.

04 MEDICAL ASSISTANCE

We believe that Health is a precious gift, and **CMI Outreach Ministries** recognizes the importance of extending healing to those who are suffering physically. Our medical assistance programs aim to bring relief to individuals facing health challenges, emphasizing that the love of Christ encompasses both spiritual and physical well-being. Through partnerships with healthcare professionals and organizations, we work towards making a meaningful impact on the health of communities as an expression of God's love. Our Medical and our hunger alleviation campaigns aim to convey the message that all people are valued, seen, and cared for by a God who provides abundantly.

05 FINANCIAL SUPPORT

Financial struggles can be a significant barrier to empowerment, limiting individuals and communities from reaching their full potential. **CMI Outreach Ministries** is committed to breaking these chains by offering financial support to those in need. Whether it's helping families in crisis, supporting education initiatives, or assisting with economic empowerment projects, we seek to be a source of hope and stability in challenging circumstances.

06 EMPOWERING MEN AND TERRITORIES

Our ultimate goal is to empower not only individuals but entire territories for Jesus. We envision communities that are transformed by the love of Christ, where empowered individuals become catalysts for positive change. This empowerment involves equipping men and women with the tools they need to lead, serve, and influence their spheres of influence for the kingdom of God.

Empowerment is an ongoing journey, and **CMI Outreach Ministries** is dedicated to walking alongside individuals and ministries as they grow in their faith. Through discipleship and mentorship programs, we aim to deepen spiritual roots, providing guidance, support, and a nurturing community for believers. Our desire is to see disciples become disciple-makers, creating a ripple effect that extends the transformative power of the gospel.

OUR JOURNEY

Our journey is not defined by geographical boundaries but by the divine call to go wherever Jesus sends us. Inspired by the Great Commission (Matthew 28:19-20), we embark on a mission that transcends cultural, linguistic, and societal barriers.

Our vision is expansive, reaching every corner of the world with the life-changing message of God's love. We believe that the gospel is not confined to a specific place but is a universal truth that has the power to transform lives and communities.

In order to achieve this vision, we set in motion 2 evangelistic programs.
